

Data-based mechanistic (DBM) modelling approach - Young, P., Beven, K., Jarvis, A., Schulz, K. and Romanowicz, R.

PUB-IAHS Workshop
*Uncertainty Analysis in
Environmental Modelling*
6th – 8th July 2004

a) Introduction:

Please refer to the science poster entitled 'LEAF River Data: DBM modelling and flow forecasting' by Peter Young and Renata Romanowicz in the 'Science Posters' section of the workshop web pages

j) Delegates Comments (please add !!)
